Historic Houses Info and code

### Why join?

#### We're beautiful

Do you love art and architecture? Our houses are masterpieces in themselves, and contain some of the country's most important collections of art and artefacts.

#### We're lived in

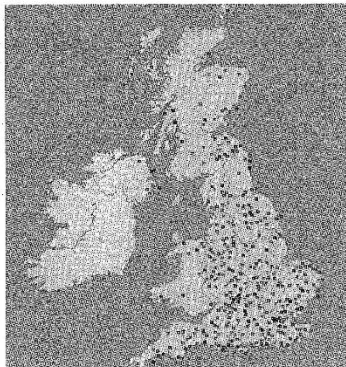

Do you value living connections to the past? Our houses aren't dusty museums, they're lived-in family homes, still shaped by their owners.

#### We're diverse

Do you want to discover new places and get off the beaten track? From grand palaces to hidden manor houses, our collection ranges from the Norman conquest to the nineteen sixties.

#### We're local

Have you explored your area? With hundreds of places to visit for free in every nation and region of the UK make sure you see your local heritage.

### Save money, support independent heritage

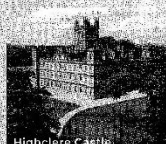

Enter the code below when you sign up for the first time to qualify for a discounted membership price. Your support will help us to help our sites, protecting them for future generations.
